The East County Economic Development Council (ECEDC) has begun planning its own 30<sup>th</sup> birthday party. The local non-profit, business-growth organization founded in 1984 has announced its 30-year anniversary celebration will be held on Saturday evening, October 25, 2014, inside an aircraft hangar at High Performance Aircraft, 1850 Joe Crosson Drive, El Cajon.

Officials said the party theme will be “Back to the Future” since the event will showcase a dual focus of highlighting previous successes and looking ahead. The celebration will feature food and dessert stations prepared by East County eateries, along with beer from local breweries. Longtime ECEDC members will be recognized and a video will review ECEDC successes over the past three decades. Musical entertainment and door prize drawing also are planned. In addition, scattered throughout the 20,000-square-foot aviation hangar will be table displays from East County-based companies touting their history of growth.

Cost to attend will be \$50 per person. [Sponsorship opportunities](#) are available. For more information, phone (619) 258-3670, or visit [www.eastcountyedc.org](http://www.eastcountyedc.org). The ECEDC is a non-profit organization dedicated to promoting a healthy economic climate and enhanced quality of life in San Diego’s East County region.
