- Floods
- Droughts
- Fires
- Active Shooters
- Cyber Crime
- Business Continuity
- Risk Assessment
- Record Keeping
- Employees

South County and East County Economic Development Councils will be hosting a Disaster Preparedness Forum for businesses. In an effort to help businesses prepare and be more resilient for a wide array of disasters, experts in the fields of emergency services, utility services, law enforcement and officials from the County of San Diego will convey information on how to properly prepare for a disaster, both natural and man-made. County Supervisors Greg Cox will make brief introductory remarks.
